THE FARM SYSTEM

Toledo of the International League and Lakeland of the Florida State League are new affiliates in the Tiger farm system for 1967. Toledo replaces Syracuse at the Class AAA level and Lakeland supplants Daytona Beach as one of three in Class A.

Montgomery in the Class AA Southern League, Rocky Mount of the Carolina League and Statesville of the Western Carolinas round out the chain. Rocky Mount and Statesville are Class A.

Lakeland is owned and operated by the Tigers, their first out-right ownership since 1963, while the others are on full working agreements.

Two managers are also new in the chain this season. Jack Tighe, former Tiger manager and before that a veteran of the Detroit farm system, is at Toledo and Len Okrie is getting his first Tiger assignment at Statesville.

The farm system in 1966 produced a number of fine individual achievements, notably at Rocky Mount, which finished second in its division but made a clean sweep of the playoffs by defeating Winston-Salem and Kinston without loss of a game.

SPRING TRAINING

After training at Henley Field in Lakeland since 1934, the Tigers now are based in a new location, a mile away, in Marchant Stadium, a new all-concrete stand erected by the City of Lakeland at a cost of more than \$350,000 and opened in 1966. It is situated on a 12-acre tract adjacent to Tigertown, which has been the club's minor league training site since 1953.

It is slightly east of Lakeland Hills Boulevard, one of Lakeland's principal north-south arteries and a short driving distance from the trans-Florida highway, Interstate No. 4.

Dimensions approximate the Tiger Stadium field area in Detroit, drainage is excellent and the turf is maintained on the same standard as Henley Field, considered the finest in Florida.

The new grandstand seats 4,025, including 400 box seats. The clubhouse, costing \$48,000, accommodates up to 50 players in each club section with added quarters for umpires. The pressbox, 104 feet long, has spacious quarters for writers and broadcasters, plus a photographers' deck.

TIGER STADIUM

The capacity of Tiger Stadium is 53,089 seats. Official figures list 9,377 box seats; 22,210 reserved; 11,502 unreserved grandstand; and 10,000 bleacher seats.

Baseball has been played at the site since 1900, a year before the American League was born with the Tigers as a charter member. Known as Bennett Park at the time, it became Navin Field in 1912, Briggs Stadium in 1938 and Tiger Stadium Jan. 1, 1961.

The playing field and stands at Tiger Stadium are considered among the finest in baseball. Facilities for players, fans, press, television and radio personnel are excellent and improved whenever possible. Although occupied frequently by more than 50,000 fans, it can be emptied in less than 10 minutes.

More than 10,000 square yards of sod are needed annually to repair the wear and tear of both baseball and football on the playing area. Sprinkling and drainage facilities are among the best and the latest-type field cover can be placed in less than a minute.

FETZER 10th TIGER PRESIDENT

John E. Fetzer, sole owner of the Tigers since Nov. 14, 1961, is the 10th in line to hold the position of club president. The nationally-prominent television-radio executive, with holdings in Michigan and Nebraska, has taken an increasingly-active role in baseball administration since entering the game in 1956 as head of a syndicate purchasing the Tigers from the estate of the late W. O. Briggs. Fetzer is chairman of the major league joint television-radio committee, was co-chairman of the screening committee for selection of the new commissioner and has just stepped down as a member of baseball's executive council.

Charter president of the Tigers when the American League won major status in 1901 was James D. Burns, also sheriff of Wayne County. In succeeding years, the post has been held by Samuel F. (1907-1935), Walter O. Briggs (1936-1951), Walter O. Briggs, Jr. (1952-1956), Fred A. Knorr (1956), Harvey R. Hansen (1957-1959), Angus (1902-1903), William H. Yawkey (1904-1906), Frank J. Navin (1906-1960), and Fetzer since Oct. 11, 1960.

CLEARING THE ROOF

Between 1938, when Tiger Stadium was rebuilt on its present lines, and 1956, only one home run was hit over the roof—by Ted Williams in 1939, his rookie season. Since then, the feat has been accomplished nine more times, including the first blow over the left field roof, by Harmon Killebrew in 1962.

Longest of the eight homers over the right field stands is credited to Norm Cash, for a blow July 29, 1962 which was estimated at 560 feet.

TIGER BROADCAST TEAMS

As they were in 1965-66, the Tigers' 1967 games will be aired by two separate broadcasting teams — selected games on television by George Kell and Larry Osterman; all games on radio by Ernie Harwell and Ray Lane.

Fourteen seasons as an American League infield star and eight years behind a baseball microphone are Kell's credentials. He was American League batting champion in 1949 when he hit .343 for the Tigers and completed his career with a lifetime average of .306. He broke into TV broadcasting with a pre-game network show in 1958, moved into the Tiger TV booth in 1959 and has been there ever since except 1964.

Osterman, a letterman in baseball, basketball and track in high school, has been sports director of Station WKZO-TV, Kalamazoo, for eight years following similar experience in Nebraska. He has covered the Tigers in spring training six years and has handled play-by-play broadcasts of all sports at Western Michigan University, as well as conducting a nightly sports news program.

Harwell's broadcast background goes back to 1940 and he has been on the major league scene since 1948; describing the action for the Brooklyn Dodgers, New York Giants and Baltimore Orioles before coming to the Tigers in 1960.

Lane, who was Kell's TV partner in 1965-66 but moves to radio in 1967, is a former Michigan State diamond star with a brief minor league background. Sports director of WJBK-TV in Detroit when he joined the Tigers, he previously had radio-TV experience in Kansas, Minnesota, Illinois and Iowa.

McAULIFFE, Richard John**Infielder**

Nickname: Dick. Born: Hartford, Conn. 11-29-39 (27) 5-11 175 B-L T-R.
 Married: JoAnne Lee Cromack 3-3-62. Children: Mary Elizabeth 1-2-63;

Bulldog at plate, signed at 17 out of Farmington, Conn. high school, came to Tigers as second baseman with ragged fielding record; overcame handicap with determination to become All-Star shortstop 1965-66. Has modified original Mel Ott-style stance at plate. Set homer record for Tiger shortstops with 24 in 1964. Missed finish 1965 season, breaking bone in left hand diving for first base at Boston Aug. 20.

Limited to 105 games at shortstop 1966 because of illness and injury but had 23 homers to top AL at position, one below career high. Hit 4th grand slammer of career vs. Duckworth of Senators April 15; two homers in one game vs. Bouton of Yankees June 19. All-Star starter 2nd straight year.

SOME REGULATIONS

A rookie is a player not more than 45 days on a major league roster during 25-man roster cutdown dates or who has not exceeded 90 times at bat or 45 innings pitched if short of 45 days.

A batting champion must have 502 or more actual or projected appearances at the plate. A pitching champion (ERA) must pitch 162 or more innings. A fielding champion must appear in 108 games at his position.

Player limit is 40 men from Sept. 1 to opening day of following season; then 28 until 31st days of season; then 25 until Sept. 1.

To determine the "magic number" in pennant race, compute the number of games yet to be played, add one, then subtract the number of games ahead in the lost column of the standings from the closest opponent.

WHAT IS A SAVE?

A pitcher in relief gets credit for save if he (1) faces tying or winning run and finishes game while preserving lead; (2) enters game in final inning with 2-run lead and finishes game while preserving lead; (3) enters with 3-run lead, pitches 2 or more innings and finishes game while preserving lead. Pitcher not finishing game does not ordinarily receive save unless removed for pinch hitter after facing tying or winning run previous inning.
